¶ I engineer beautiful constructs for the web.

Experience

JWALK, New York, NY

Interactive Developer
Nov. 2009 - Present

Developed and maintained websites for clients such as bebe, LACOSTE, EMM Group, Moonshine and Equinox Gyms. Took over existing websites and implemented design changes and bug fixes.

Led the production process on be9to5 campaign for bebe and saw the projects through from UX analysis, build, testing to final deployment.

Built and maintained Facebook applications for Equinox Gyms, EMM Group and Moonshine. Built custom Instagram API-driven image feeds with moderation controls for LACOSTE L!VE. Wireframed, coded, deployed and maintained website for Health Warrior.

MTV Networks, New York, NY

Web Development Intern
Sep 2009 - Nov 2009

Built Facebook apps, email blasts, flash banners for promoting EPIX HD.

Education

Savannah College of Art and Design, Savannah, GA

MFA Graphic Design
May 2010

Fr. Conceicao Rodrigues Institute of Technology, Mumbai, India

Bachelors in Information Technology
June 2006
